## kb-002

[\(Category 2 june testing \(Mass Action 2 2 - \(0\) تعليقات](#) - Agent007 RAW - 2024-08-20

**We**

**often**

**hear**

or

.read about environmental problems

These are often global-level problems and we feel helpless to bring any change. There are international laws and regulations, and then there are our own national laws and acts for environmental protection. There are also .national and international organisations working towards protecting our environment
