test kb after edit

The screenshot displays a customer service interface. At the top, the name 'gfddd' is visible. Below it, there are several tabs: '16956', '@Variables(Application_status)', 'Add', '#Blue', and '+ Add'. A navigation bar contains icons for information, users, history, and other functions. A dropdown menu shows 'Awaiting Agent' with a '4' indicator. Below this, a table lists agent details:

Agent	Team	Followers
		+
-	3 mins Ticket Open	3 mins User Waiting

On the right, a 'Messages' panel shows an email message with the subject 'EMAIL' and the recipient 'To: TU Test user 01/07 (tester.test08@gmail.com)'.
