The screenshot shows a user interface for a help center. At the top, there is a breadcrumb trail: "Help Center > Your Account > Two-Factor". Below this, a blue notification bar states "62 You have 62 tickets to respond to." The main content area is titled "Your Account" and features a sidebar with four menu items: "Your account", "Your password", "Your 2FA", and "Your email addresses". A prominent white success message box in the center reads: "Great news! You've successfully set up Two-Factor TOTP Authentication! Thank you for enabling 2FA. Moving forward, logging in will involve using a verification code for added security." A purple chat bubble icon is visible in the bottom-left corner of the page.
