agentopic20jan 01/06 statuses

- Agent007 RAW
- **Forename:** #new25

new topic by the agent

The screenshot shows a user interface for a chat or messaging application. At the top, the user's name is 'gfddd' with a profile picture and a status '16956'. Below the name, there are several tags: '@Variables('Application\_status')', 'Add', '#Blue', and '+ Add'. The main area is divided into two sections. The left section shows a status 'Awaiting Agent' with a dropdown arrow and a count of '4'. Below this, there is a table with three columns: 'Agent', 'Team', and 'Followers'. The 'Agent' column shows a person icon, the 'Team' column shows a smiley face icon, and the 'Followers' column shows a plus sign. Below the table, there are three rows of data: 'Next event' with a dash, '3 mins Ticket Open', and '3 mins User Waiting'. The right section is titled 'Messages' and shows an email message from 'Test user 01/07 (tester.test08@gmail.com)'.
