The screenshot displays a web application interface for searching tickets. The main content area shows a 'No Tickets' message with the text 'Enter a search term or select fields to start searching.' To the right, a 'Refine Search' sidebar is visible, containing various filters like Author, Date Written, Subject, Attachment, Ticket Properties, Ticket Owner, and Department. A red box highlights an 'Error' message in the sidebar, and a red arrow points to it from the sidebar. Another red arrow points to the search input field. A third red arrow points to the 'New Search' button. A fourth red arrow points to the 'Error' message in the sidebar. The right side of the image shows a portion of the browser's developer tools, displaying the DOM tree and the CSS styles for the highlighted error message.
