Test tiny mice

The screenshot displays a web application interface for searching tickets. The main content area shows a 'No Tickets' message with the text 'Enter a search term or select fields to start searching.' To the right, a 'Refine Search' sidebar is visible, containing sections for Search, Date Written, Subject, Attachment, File Extensions, and Ticket Properties. A red box highlights an 'Error' message in the sidebar, with a red arrow labeled '4' pointing to it. On the left side of the interface, there are several navigation and search elements: a search input field (arrow '1'), a search button (arrow '2'), a 'New Search' link (arrow '3'), and a 'Search' dropdown menu. The bottom right corner of the image shows a portion of the browser's developer tools, displaying HTML and CSS code for the error message.
