The screenshot displays a customer service interface. At the top, the name 'gfddd' is visible. Below it, there are several tabs: '16956', '@Variables('Application\_status')', 'Add', and '#Blue'. A toolbar contains icons for information, users, a clock, a refresh button, a speech bubble, a diamond, a bell, and a cube. A dropdown menu shows 'Awaiting Agent' with a '4' notification badge. Below this is a table with columns for 'Agent', 'Team', and 'Followers'. The 'Agent' column shows a person icon and a '3 mins' timer for 'Next event'. The 'Team' column shows a smiley face icon and a '3 mins' timer for 'Ticket Open'. The 'Followers' column shows a plus sign and a '3 mins' timer for 'User Waiting'. On the right, a 'Messages' panel shows an email preview with the recipient 'Test user 01/07 (tester.test08@gmail.com)'.
