agentopic20jan 01/06 statuses

- Agent007 RAW
- **Forum name:** #new25

new topic by the agent

The screenshot displays a user interface for a chat or messaging application. At the top, the user's name 'gfddd' is shown, along with a profile picture and a status '16956'. Below this, there are several tabs or filters: '@Variables('Application_status')', 'Add', and '#Blue'. A navigation bar contains icons for information, users, a clock, a refresh button, a diamond, a bell, and a cube. A prominent orange banner reads 'Awaiting Agent' with a dropdown arrow and a '4' in a circle. Below this banner is a table with three columns: 'Agent', 'Team', and 'Followers'. The 'Agent' column shows a person icon, the 'Team' column shows a smiley face icon, and the 'Followers' column shows a plus sign. At the bottom of the table, there are three items: 'Next event' with a dash, '3 mins Ticket Open', and '3 mins User Waiting'. On the right side, a 'Messages' panel is open, showing an email notification from 'Test user 01/07 (tester.test08@gmail.com)'.
