The screenshot displays a user interface with two main sections. On the left is a settings sidebar with the following items: 'Default' (with a blue icon), 'Department\*' (with a red circle containing 'S'), 'Support', 'Language', 'Language', 'Per user field' (with an 'Edit' link), 'Add', 'Currency', 'CA\$' (with an 'Add' link), 'Date & Time' (with a 'Clear' link), and 'December 3, 2024 3:18 AM' (with a calendar icon). On the right is an email composition window with a yellow background. It features a 'EMAIL' header, a 'To:' field with a user icon and the text 'User 12 bnvgnn (tester.desk12@gmail.com)', and a message body containing the text 'this is the snippet testDec 3, 2024, 8:48 AM' and 'from [tester.desk12@gmail.com](mailto:tester.desk12@gmail.com)'. Below the email content are buttons for 'Email', 'Note', and 'Forward', and a text input field with the placeholder 'Write a message...'.
