test kb after edit

The screenshot shows a user interface for a service named 'gfddd'. At the top, there are several tabs: '16956', '@Variables('Application_status')', 'Add', '#Blue', and '+ Add'. Below the tabs is a navigation bar with icons for information, users (2), clock (2), refresh, home, and a cube. A 'Messages' panel is open on the right, showing an email from 'Test user 01/07 (tester.test08@gmail.com)'. The main content area features a table with the following data:

Awaiting Agent		
Agent	Team	Followers
-	3 mins Ticket Open	3 mins User Waiting
