The screenshot shows a customer service interface for 'gfddd'. At the top, there are several tabs: '16956', '@Variables('Application_status')', 'Add', '#Blue', and '+ Add'. Below the tabs is a navigation bar with icons for information, users, messages, a refresh button, a home button, a search button, and a cube icon. The main area is divided into two sections. On the left, there is a status bar that says 'Awaiting Agent' with a dropdown arrow and a '4' in a circle. Below this is a table with three columns: 'Agent', 'Team', and 'Followers'. The 'Agent' column shows a person icon with a green dot. The 'Team' column shows a yellow smiley face emoji. The 'Followers' column shows a plus sign. Below the table, there are three rows of information: 'Next event' with a dash, '3 mins Ticket Open', and '3 mins User Waiting'. On the right, there is a 'Messages' window. It shows an 'EMAIL' icon and a message from 'Test user 01/07 (tester.test08@gmail.com)'.
