Agent007 RAW - 2025-01-20 - (0) megjegyzés - 011624kbct

test kb after edit

The screenshot displays a customer service interface. At the top, the name 'gfddd' is visible, along with a phone number '16956' and several tags: '@Variables('Application_status')', 'Add', and '#Blue'. Below this, there are icons for user profile, clock, and other functions. A central section shows 'Awaiting Agent' with a dropdown arrow and a '4' in a yellow circle. Below this, a table lists agent details:

Agent	Team	Followers
		+
-	3 mins Ticket Open	3 mins User Waiting

At the bottom, there are labels for 'Next event', 'Ticket Open', and 'User Waiting'. On the right side, a 'Messages' panel is open, showing an email message with the recipient 'To: TU Test user 01/07 (tester.test08@gmail.com)'.
