The screenshot shows a user interface for a user named 'gfddd'. At the top, there are several tabs: '16956', '@Variables('Application_status')', 'Add', '#Blue', and '+ Add'. Below the tabs is a navigation bar with icons for information, users, clock, refresh, home, and a cube. A 'Messages' window is open on the right, showing an email message from 'Test user 01/07 (tester.test08@gmail.com)'. On the left, there is a section titled 'Awaiting Agent' with a dropdown menu and a '4' in a circle. Below this is a table with columns for 'Agent', 'Team', and 'Followers'. The 'Agent' column shows a person icon, the 'Team' column shows a smiley face emoji, and the 'Followers' column shows a plus sign. At the bottom, there is a row with 'Next event', '3 mins Ticket Open', and '3 mins User Waiting'.

Agent	Team	Followers
