The screenshot shows a web browser window displaying a support article from MailSPEc. The article title is "How to Configure the MAPI Connector with Outlook 2019?". The content includes instructions on downloading the MAPI connector, extracting the archive, and installing it. It also provides steps for configuring Outlook, such as adding a new profile or modifying an existing one. A Windows Mail dialog box is overlaid on the article, showing the "General" tab with the text "The following profiles are set up on this computer:". The "Add..." button is highlighted with a red box. Below the list of profiles, there are radio buttons for "Prompt for a profile to be used" and "Always use this profile", with the latter selected. The dialog box also includes "OK", "Cancel", and "Apply" buttons.
