Test tiny mice

The screenshot displays a web application interface with a search bar and a 'No Tickets' message. A 'Refine Search' panel is open on the right, showing search criteria. A developer tool is visible on the far right, displaying the DOM structure and styles of the 'Error' button. Red arrows and boxes highlight specific elements: arrow 1 points to the search bar, arrow 2 points to the 'New Search' button, arrow 3 points to the search input field, and arrow 4 points to the 'Error' button. The developer tool shows the following CSS styles for the 'Error' button:

```
font-family: Roboto, "Helvetica Neue", sans-serif; font-size: 14px; font-weight: 500; margin-left: 10px; padding: 5px 10px; text-align: center; width: 100px; color: #000000; background-color: #f0f0f0; border: 1px solid #ccc; border-radius: 4px; cursor: pointer; display: inline-block; vertical-align: middle; text-decoration: none; font-family: Roboto, "Helvetica Neue", sans-serif; font-size: 14px; font-weight: 500; margin-left: 10px; padding: 5px 10px; text-align: center; width: 100px; color: #000000; background-color: #f0f0f0; border: 1px solid #ccc; border-radius: 4px; cursor: pointer; display: inline-block; vertical-align: middle; text-decoration: none;
```
