## Test tiny mice

Agent007 RAW - 2026-04-18 - [Reacties \(0\)](#) - [012324kbct](#)

Test tiny mice

The screenshot displays a web application interface for searching tickets. On the left, a sidebar contains navigation options like 'Mine', 'Text QA', 'I'm Following', 'My Team's', 'My Pending', 'INBOX', 'All Tickets', 'SLA Failed', 'Live', 'Queue 04/09', 'Unassigned', 'Awaiting user', '112Queue', and 'queue 22/01'. Below these are 'Lists' and 'New List' options. The main content area shows 'No Tickets' with the message 'Enter a search term or select fields to start searching.' On the right, a 'Refine Search' sidebar is visible, containing fields for 'Search', 'Date Written', 'Subject', 'Attachment', 'File Name', 'File Extensions', 'Ticket Properties', 'Assigned Agent', 'Ticket Owner', and 'Department'. A red box highlights an 'Error' message in the 'Ticket Properties' section. Red arrows point to various elements: arrow 1 points to the search bar, arrow 2 points to the search button, arrow 3 points to the 'New Search' button, and arrow 4 points to the 'Error' message. The bottom right corner shows a portion of the browser's developer tools, displaying HTML and CSS code for the error message.
